RK-05F

Brand: Dino-Lite Product Code: RK-05F

Short Description Portable rack Tilt and stay feature (30 degrees) Fast assembly Fine-focus adjustment

Description

RK-05F is a light-weight, ultra-portable stand with a one-step assemble/disassemble design.

If you want to observe your object or specimen from a different perspective, the Dino-Lite RK-05F stand provides a multi-angle view with its 30 degrees inclinable pole feature. Additionally it has an integrated fine focus adjustment knob to make focusing easier and more precise.

RK-05F is a light-weight, ultra-portable stand with a one-step assemble/disassemble design.

All Dino-Lite microscopes are compatible with this stand with the exception of the Long Working Distance microscopes.

The package includes the stand and a HD-P1 holder.
