## RK-10F / RK-10FS

**Brand: Product Code:** RK-10F / RK-10FS

## Short Description

Quick Release Button Fine-Focus Knob Anti-Backlash Lock Arm Screw HD-M2A

## Description

The RK-10F is an upgraded version of the RK-10, featuring an improved quick release button with an anti-backlash mechanism that enhances its ability to make precise focus adjustments, ensuring smoother and more responsive operation.

The RK-10FS incorporates a heavier antistatic baseplate that suppresses external vibrations, making it an optimal choice for stable operation under high-magnification inspections.

**AVAILABLE EXTENSIONS FOR THE RK-10A STAND**
